

INTERNATIONAL REVIEW OF ENGINEERING AND COMPUTER SCIENCES

Author(s) Warranty and Transfer of Copyright Agreement

The author(s) hereby warrants that the manuscript entitled _____

that has been submitted for publication to **International Review of Engineering and Computer Sciences**–(IRECS ISSN: 2409-3580), **IS ORIGINAL AND HAS NOT BEEN SUBMITTED FOR PUBLICATION OR PUBLISHED ELSEWHERE.** International Review of Engineering and Computer Sciences will not accept a manuscript for which the copyright is held by a third party.

The author(s) in consideration of the publication of the above named manuscript also agree to the following issues:

1. Author agrees to, and does hereby assign all rights, title and interest, including copyrights, in and to the manuscript to International Review of Engineering and Computer Sciences (Publisher). When the manuscript is ready for publication, it will be published at authors own expense, under the Publisher's name.
2. Author(s) understand that no royalties or remuneration will be paid by the Publisher to the author for the above named submitted manuscript. Author(s) submit the manuscript on a volunteer basis and ready to pay publication fee and owing to the professional recognition obtained by International Review of Engineering and Computer Sciences.
3. The Author agrees that until the publication of the manuscript the Author(s) will not submit for publication to any other publisher, any work on the same subject that might affect the sale of the manuscript.
4. The publisher will have the right to edit the work for the original edition and for any revision.
5. In the case of acceptance of the manuscript, the Publisher will inform the Author or the main Author about the date when the article will be published.

6. In case the manuscript is proved to have been an act of plagiarism, the Author(s) will be solely held liable for this and they will be held responsible according to the current International/National legislation in force. Furthermore, the manuscript under focus will be erased from the Publisher’s site and the Author(s) will no longer have the right to submit and to publish in future in the International Review of Engineering and Computer Sciences.
7. Moreover, the Author(s)’ act will be discussed in the meetings organized at the level of the Department they belong to, in the Executive Board, the Senate and the Ethics Committee of International Review of Engineering and Computer Sciences.
8. In case the Authors belong to another institution, the Publisher will provide all details to his institution.
9. This Agreement is governed by the International laws concerning copyright.
10. This Agreement represents the entire understanding between the parties hereto with respect to the subject matter hereof and this Agreement supersedes all previous agreements, oral or written, between the parties.
11. This Agreement shall be binding upon the parties hereto, their heirs, successors, assigns and personal representatives.
